## Empowering Women

fostering good health, sustainability and  
well-being in UK and global projects

Speakers: Anne Gorham, Co-ordinator of BirMAH Outreach  
and Professor Susan Buckingham from Brunel University.

BirMAH Outreach is a charity formed to make homeopathy accessible to vulnerable and disadvantaged people in the community, providing support for a wide range of problems from addiction and substance abuse to depression and long-term illnesses.

To raise money in support of our clinics we are holding a ladies lunch.
